

DAS (R)EINE VOLK - FOLGT DER (R)EINHEIT!  
**(R)EINHEITSGEBOT # 10**

ENGLISH TRANSLATION

If we look into the precepts of the messenger of God, Isais, who is connected to us Germans, we quickly realize, what we have to do, especially our thoughts we have to protect. From what actually? Mostly from all our stumbling in false ideas, lies, anger, hate ... see for yourself!

## **Isais – Precepts**

Isais-Precepts spoken by Isais, 1239 at Ettenberg to German knights:

### CHAPTER ONE

#### 1.1 Know:

Weapon and defense are powerful  
if the thoughts, rightly used.

#### 1.2 Images your thoughts are all – beyond can see.

Words your thoughts are –  
beyond can hear.

As purposeful prayer, hoping as wish – or unintentionally done.

#### 1.3 All thoughts are seen, caught by the one to whom they are sent.

Such power will correspond.

#### 1.4 Dark thoughts therefore know none, otherwise darkness you call forth in

dire form, devils or depraved spirits.

#### 1.5 In battle even – learn this –

keep yourselves free from evil thoughts.

Squalid the depraved,  
the villain you are fighting. think of him with pity,  
even if the hour calls to dispute.

### CHAPTER TWO

#### 2.1 Know:

That the feelings, you shall not know: hatred, revenge, vengeance,  
anger, envy, resentment, annoyance, quarrelsomeness, distrust, intolerance.

Never fear the power of evil.

And do not insult anyone. For all these things breed darkness.

#### 2.2 But neither should you passively watch the work of evil.

Never be tepid, never lazy,  
not waiting, that another does,  
what you can do.

Pay attention:

Even the fiercest fight can succeed  
without dark vibration of thoughts.

## THIRD CHAPTER

### 3.1 Know:

Powerful protection and powerful weapon are therefore lightful thoughts.

Therefore all beings should first

be met in a friendly way.

Whether human or animal, spirit or demon. A friend could be anybody.

Lightful vibration reflects light.

Where hell power poison is within, you will soon notice it.

3.2 First, only think all good things. If over there the evil is strong,  
you will notice in due time.

3.3 Lightful vibration of good power echoes almost everywhere.  
Even in the desert the lion and in the forest the wolf wont attack you like this.

3.4 Once you have recognized the signs of the dark power,  
take swift action to defend yourselves.

## CHAPTER FOUR

### 4.1 Know:

In all the worlds and worldly units,

on both sides of the mirrors,

an everlasting battle rages between darkness and light,

between good and evil beings:

The heroes of light

and the servants of darkness.

4.2 Everyone stands in the midst of the great struggle.  
Knowing or not knowing, participating or tolerating.

4.3 In the mind the strongest on earth  
only are called to the field of this battle.

The other armors of light should learn through good conduct and pure thoughts.

### 4.4 And consider:

Borders of the beyond are not far away.

Near is the mirror.

The world on this side is interwoven with the world beyond.

## CHAPTER FIVE

### 5.1 Know:

Mirror equivalence between beyond

and this side the borders.

This side recognizes merely the mirror image;

but beyond clearly sees through,

easily can penetrate also in this world.

5.2 Earthly beings do not see the beyond before the earthly death,  
if you do not have the secret  
of Wodin's spear and of Ishtara's mirror,  
as I have given to you, my faithful.

## CHAPTER SIX

### 6.1 Know:

Eternal is the life of all beings.  
Reincarnation is in the realms of the beyond. You are immortal.

6.2 But the kingdoms beyond are all different.  
Greenland alone, the wide, large one,  
encloses everything.  
A vibration prevails there –  
according to all species.

It only results in one color: The green.  
Around the earth world, close, lies Nebelheim.  
Beyond and this world mix there.  
Evil beings often attack humans from there.

6.4 You, my loyal ones, possess the spear.  
Do not be afraid of the fights in grassland, nor the struggle in Nebelheim.

6.5 You, my faithful,  
that you possess Ishtara's mirror,  
should use it in an observational way,  
to have influence into greenland's fields.  
Because you are fighters  
on the line between this world and the next.

## SEVENTH CHAPTER

### 7.1 Know:

I also gave you supreme power;  
The black and purple stone.  
Powerfully polished by the URsun's ball of rays.  
And I gave you hair from my head,  
to carefully wrap the stone in it.  
Well preserved for the hour of time!  
The stone brings the golden kingdom.

Necessary ... bringing the emergency turn ... to understand these precepts sufficiently, to internalize them, to feel, WHAT ESPECIALLY Isais tries to convey to us in wise knowledge. Re-reading, thinking about the content, brings the adept to the goal. The connection with the URsun, via the SolarPlexus, is everlasting!

In the next message we will deal with the power within you.

In Liebe und Verbundenheit,
